

Valvoline Charitable Giving Program

Through hands-on service, focused generosity and the continuous pursuit of innovative and sustainable solutions, we work to build communities that are healthier and have a more promising future.

Charitable Giving Requests

Non-profits are encouraged to submit grant proposals that align with our focus areas of: (1) disadvantaged families and children, (2) education, (3) the environment, or (4) diversity, equity, and inclusion, and should impact areas where we operate. Non-profits must be designated as a 501c3 organization by the Internal Revenue Service (IRS) to qualify.

Proposals are reviewed to determine if the opportunity is a strategic fit for Valvoline.

Valvoline does not provide support for the following:

- Individuals, including requests for personal travel
- Fraternal, veteran, labor, or athletic organizations
- Political or lobbying organizations
- Churches and religious or sectarian organizations, unless engaged in a significant project benefiting the entire community
- Fundraising for local sports organizations
- Organizations that pose a conflict with the goals, programs, products or employees of Valvoline Inc. and/or its operations
- Organizations that discriminate in any way based on age, race, religion, color, gender, disability, national or ethnic origin, ancestry, marital status, sexual orientation, gender identity or expression, or veteran status

In-Kind Donations

Requests for in-kind donations to qualified non-profit organizations will be considered on an ongoing basis and based on product availability. Priority is given to organizations that align with our focus areas and/or our employees serve as volunteers. Requests should be sent to contributions@valvoline.com.

Requests for Valvoline Instant Oil Change gift certificates should be directed to 1-800-VALVOLINE. While requests are accepted year-round, quantities are limited, and fulfillment is done on a first-come, first-serve basis.
